

Can-opening convenience at the flip of a switch.

#203 Electric Can Opener

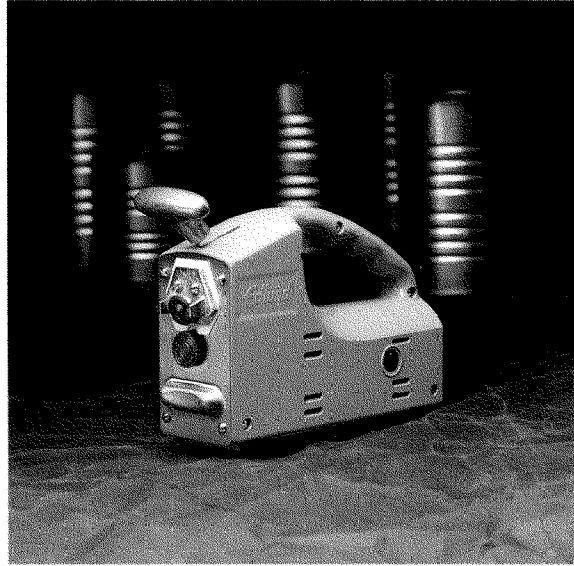

"Slide the cans to the opener" — there's no lifting of heavy cans with this convenient countertop model. #10 cans slide into position and lock right into place. This dual speed model will open most can sizes and shapes — even sardine cans! — and its single handle operation makes it very easy to operate.

- Countertop convenience
- Effortless electric operation
- Opens most can shapes/sizes
- Durable stainless steel construction
- Replaceable knife and gear
- Stores out of the way when finished
- Spring-loaded mechanism opens even dented cans
- Single handle operation
- Dual speed heavy motor
- Available in 115 or 220 volt

Also available from Edlund:

#266 Electric Can Opener

(all the features of the #203 but with a single speed motor)

#201 Electric Can Opener

"Take the opener to the cans" — the most portable electric can opener available. The #201 built for heavy duty use, gives you the flexibility to open cans of various heights. And its Lexan® housing is virtually indestructible.

- Portable convenience
- Effortless electric operation
- Opens most can shapes/sizes
- Durable Lexan® housing
- Replaceable knife and gear
- Spring-loaded mechanism opens even dented cans
- Stores out of the way when finished
- Available in 115 or 220 volt

All 115 volt models UL listed. 

Warranty Information

The Edlund Company warrants these products to be free from defects in material and workmanship for a period of one year from date of purchase. The company's obligation under this warranty is limited to repairing or replacing without charge any part or parts found to be defective under normal use. It is the responsibility of the purchaser to return the entire unit to the factory or a factory service branch, transportation charges prepaid. This warranty does not cover parts that must be replaced under normal use, including knives and drive gears on can openers. No other warranty, written or verbal, is authorized by the company.
